

Chapter Slides

For the State Leadership Conference in March, it is tradition to create a slideshow of all the chapters in Montana. Please combine pictures of your chapter in the past year onto **TWO SLIDES**. Save these slides on a jump drive/memory stick or a cd as a jpeg file. Do not under any circumstances save on to a floppy disk or try to email them. If you save to a floppy disk or by email your slides will not be put on the slideshow, send the saved slides by mail to your district president by December 15 and they will transfer them to a slideshow for the State meeting. If your president does not receive these by that time, they again will not be put into the slideshow. Thank you for your cooperation.

Thank You
